

# Terim Dishwasher

## 15 Place Settings: TERDW1508SKYT

EAN: 6 291109 381242

Program	Dirt level	Mode-rate	*Water consumption(l)		Temperature (°C)	Energy consumption (kWh)
			15 place settings	15 place settings		
<b>***ECO 60°C</b>	The most economical washing program for cleaning moderately dirty daily tableware.	Moderate	10.0	288	50	0.650
<b>Intensive 65°C</b>	Suitable for dishes, pots and pans with heavy stains.	Severe	14.2	120	65	1.08
<b>Glass 40°C</b>	Special program for gently cleaning delicate glassware.	Slight	10.7	135	40	0.96
<b>Hybrid 60°C</b>	Suitable for cleaning common sticky, charred, dried food residues containing starch or protein.	All	14.2	105	60	1.04
<b>Prewash 45°C</b>	Suitable for removing residues from dirty dishes waiting in the machine for several days, so as to prevent odor accumulation.	—	3.7	20	45	0.28
<b>Super 60°C</b>	Suitable for cleaning the slightly sticky fresh food residues at the fastest speed.	Slight	7.2	29	60	0.66
<b>Hygiene 70°C</b>	Special program for cleaning some dry and solid common food residues and wear-resistant articles to be cleaned.	Slight	10.7	90	70	1.07
<b>Machine Care</b>	This cycle is for cleaning the inside of the dishwasher. Use the cycle without dishes in the machine. It eliminates residual soils, odor, white spots, and other dirt. Add citric acid or another cleaning agent for more effective results.	—	—	—	—	—

### Main Features:

- **Auto Door open drying system** : By the end of the washing program, the drying system automatically opens the door of the dishwasher (about 10cm) to form air convection allowing the steam to flow out and allow natural drying.
- **BLDC Inverter Motor**: The brushless, frictionless construction of this advanced motor offers maximum efficiency, economy, durability and performance.
- **3 Layer Dish baskets**: Three-layer dish baskets are reasonably partitioned and can flexibly place tableware of various calibers, effectively using the space and improving the drying effect.
- **½ Half Load**: The selected program reduces the water intake at each stage: the pre wash water intake decreases by 200ml, the main wash water intake decreases by 20ml, and the flushing water intake decreases by 500ml.
- **Glass Care**: The Glass program of this dishwasher is a dedicated wash program that cleans your delicate glassware at 40 °C so that your glass bowls, glasses, and more could be cleaned efficiently.
- **Dual Wash**: It is used to operate the machine without loading it completely. With the dual wash function you can save both water and power while using the lower and upper baskets of the machine.

### 【 Technical Features 】

- 【 Type 】 Free Standing Dishwasher
- 【 Place Settings 】 15 Place
- 【 Motor 】 BLDC Inverter Motor
- 【 Motor Warranty 】 10 Years
- 【 Programs 】 8 Programs
- 【 No of Racks 】 3 racks
- 【 Gross Dimension (W\*D\*H) 】 652\*672\*887 (mm)
- 【 Net Dimension (W\*D\*H) 】 598\*598\*845 (mm)
- 【 Gross Weight 】 50kg / 【 Net Weight 】 46kg
- 【 Color 】 Dark Silver / 【 Voltage / Frequency 】 220-240V / 50 Hz
- 【 ESMA 】 5 Star

### 【 General Features 】

- BLDC Inverter Compressor (10 Years warranty on compressor)
- 8 Programs: ECO 50°C, Super 29' 60°C, Glass 40°C, Prewash 45 °C, Hygiene 70°C, Intensive 65 °C, Machine care, Hybrid 60 °C
- Additional Programs & Functions: Intensive +, Delay timer, Child lock, Dual wash, Half load, Long storage, Hot air drying, Auto Door
- Noise (dB): 46 dB
- Water softener Device
- Hot air circulation drying & Automatic door drying
- 3 Layer Racks
- Height adjustable upper rack
- 3 Spray Arms (Top + Upper + Lower)
- 2 Cup Holder
- Machina Care Program for cleaning the dishwasher without dishes.
- Connection load: 1920W
- Made in China
